ACKNOWLEDGEMENT

It is a great pleasure in expressing deep sense of gratitude and veneration to our guide **Mr. K. S. PRATAP, M.Tech** Assistant Professor (Ad-hoc) in department of Electrical & Electronics Engineering for his valuable guidance. His advice, assistance and patience are greatly appreciated.

We are greatly indebted to Sri **Dr. G. V. NAGESH KUMAR,** Head of Electrical & Electronics Engineering Department for providing outstanding facilities for completion of project.

We also express our sincere thanks to principal of JNTUA College of Engineering Kalikiri, **Dr. M. VENKATESWARA RAO** for his encouragement and for providing the required computational facilities throughout the project.

We would like to thank all the teaching and non-teaching staff of Electrical & Electronics Engineering for their excellent monitoring and their suggestions that helped in successful completion of our project.

Above all, we thank our parents and almighty, whose divine grace provided us the opportunity to do our project work according to our wish.

With gratitude
